

POLYTECH

Quality you can feel

Introducing:

Natural Breast Beauty

supported by POLYTECH

A **unique education programme** available exclusively on the POLYTECHconnect Academy.

Design by **Mr Patrick Mallucci**, this course is aimed at both experienced surgeons looking to refine their approach and new surgeons building a strong foundation.

This free course explores:

- The *45:55 ratio* as a universal standard for breast beauty.
- The *ICE Principle* - an algorithm for achieving predictable, natural results.
- *Expectation vs reality*. Honest surgical planning tailored to your patient's anatomy.
- *Surgical planning* for natural breast beauty: Getting it right the first time.
- How to apply the *ICE principle* for complex revision cases.
