

1) Select your headshot and insert to ppt slide.

2) Click on your headshot and go to

3) “Picture Format” → Crop → Crop to Shape → select Circle

The rectangular headshot will now be round:

4) Now you can simply adjust sizes and move the member badge over your headshot.

5) Mark both files and do a right mouse click → Group

6) With right mouse “Save as Graphic File” you can now save as .jpg/.png
