LATAM Plastic Surgery Senior Residents Course.

**June 28<sup>th</sup> – July 1<sup>st</sup>, 2021.**

Mexico, Colombia – 05:00 PM

Brazil, Argentina – 07:00 PM

# Welcome to the Johnson & Johnson Institute.

*At the Johnson & Johnson Institute, we believe we have a special mission with future specialists from the beginning of their training. We also believe that continuing medical education is a key part of meeting the goal of reaching a greater number of patients and performing safer procedures.*

*Leaders of Tomorrow is a program that seeks to bring plastic and reconstructive surgery residents closer to the most innovative technologies and techniques around breast surgery, as well as to contribute to the development of professional and personal skills necessary for the modern medical practice helping young specialists to achieve a successful practice in the shortest possible time.*

Sincerely,  
The Johnson & Johnson Institute team.
