ISAPS® CANCÚN
WORLD CONGRESS

October 27-31, 2026

POCKET PROGRAM

www.isaps2026.com | #ISAPS2026

PROGRAM OVERVIEW | OCTOBER 27 | TUESDAY

Room	COBA
Floor	2nd
8:00	
8:30	Residents' Symposium
9:00	
10:00	
11:00	
12:00	
12:30	
13:00	
13:10	
13:30	Pre-Congress Industry Session GLP-1 Aftermath: Tissue Dynamics & Breast Surgical Challenges (no CME)
14:00	
15:00	
16:00	
17:00	
18:00	
19:00	
20:00	

KEY:

- Rhinoplasty
- Face and Neck
- Body
- Breast
- Minimally Invasive
- Periorbital
- Other Surgical
- Transgender
- Non-Surgical: Injectables
- Genital
- Other Non-Surgical
- Industry Sessions
- ISAPS ABM
- Resident's Symposium
- Resident's Competition

PROGRAM OVERVIEW | OCTOBER 28 | WEDNESDAY

Room	GRAN CANCÚN	AUDITORIUM	OPEN STAGE 2
Floor	3rd	Ground	Ground
8:00	Intraoperative Video Presentation: Rhinoplasty		
9:00			
10:00	Coffee Break	Coffee Break	Coffee Break
10:30	Intraoperative Video Presentation: Face and Neck		
11:00			
12:00			
12:30	Lunch Break	Members' Annual Business Meeting and Networking Session Members welcome toast sponsored by GalaFLEX	Lunch Break
12:45	Lunchtime Industry Symposium (no CME)		
13:30			
13:45	Intraoperative Video Presentation: Body Contouring		
14:00			
14:15		Industry Symposium (no CME)	Resident's Competition
15:00			
15:30			
15:45	Coffee Break	Coffee Break	
16:15	Intraoperative Video Presentation: Breast		
16:30			
17:00			
17:30			
18:15			
18:30	Opening Ceremony and Ohmori Lecture		
20:00	Welcome Reception		

KEY:

- Rhinoplasty
- Face and Neck
- Body
- Breast
- Minimally Invasive
- Periorbital
- Other Surgical
- Transgender
- Non-Surgical: Injectables
- Genital
- Other Non-Surgical
- Industry Sessions
- ISAPS ABM
- Resident's Symposium
- Resident's Competition

Room	EXHIBITION	GRAN CANCÚN 1	GRAN CANCÚN 2	GRAN CANCÚN 3	COZUMEL 1	COZUMEL2	AUDITORIUM	OPEN STAGE 1	OPEN STAGE 2	Room
Floor	Ground	3rd	3rd	3rd	2nd	2nd	Ground	Ground	Ground	Floor
7:30			Short Course Master Class: Modern Techniques for Breast Enhancement	Short Course Master Class: A to Z in Rhinoplasty	Short Course Master Class: The Endoscopic Revolution	Short Course Master Class: Mastering Hair Restoration				7:30
8:00										8:00
8:30		Advanced Male Chest and Body Contouring: From 3D Reconstruction to High-Definition Aesthetics	Explantation and Asymmetries	Modern Rhinoplasty: Structural Innovation, Incision Refinement and Evidence-Based Safety	Aesthetic Innovation and Cultural Trends: Staying Relevant in a Multimodal Era	The AI-Enabled Aesthetic Clinic: Optimizing Patients, Enhancing Safety an Understanding Surgeons	Advancing Gender-Affirming Surgery: Multiregional Techniques and Longitudinal Quality-of-Life Evidence			8:30
9:00		Modern Liposculpture	Current Trends in Breast Augmentation: Are the New Hypes Justifiable?	Structural Versus Preservation: The Winner is...	Advanced Periorbital Surgery: Anatomy, Safety and Modern Rejuvenation	Global Safety Standards in Aesthetic Surgery: Risks, Regulations and Evidence-Based Practice	Contemporary Upper and Midface Rejuvenation: Temporal Access, Endoscopic Shaping and Hybrid Deep Plane Lifts		Resident's Competition	9:00
9:45							Contemporary Challenges in Breast Surgery: Biomechanics, Patient Priorities and Innovations in Technique			9:45
9:55					Brow Lift Mastery					9:55
10:30		Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Body 1: Aesthetic and Technical Advances in Body Contouring and Abdominoplasty	Breast 1: Mastopexy, Reduction and Ptosis Correction	10:30
11:00		Modern Excisional Body Contouring	Modern Mastopexy	Craftful Solutions to Difficult Cases	Minimally Invasive Aestehtics with IMCAS	Comprehensive Safety in Aesthetic Surgery: Integrating Techniques, Technologies and Risk Prediction	Advanced Body Shaping: Abdominal Refinement, Gluteal Solutions, Lower Body Lifts and Intimate Aesthetic Surgery			11:00
11:55							Mastering Complex Rhinoplasty: From Cleft and Saddle Repair to Tip Support and Secondary Surgery			11:55
12:20								Other Non-Surgical 1: Modern Plastic Surgery – Imaging, Education and Workforce Challenges	Industry Session (no CME) 11:55-12:25	12:20
12:30		Lunch Break	Lunch Break	Lunch Break	Lunch Break	Lunch Break	Advanced Facelift and Neck Surgery: Safety, Regeneration and Emerging Technologies	Industry Session (no CME) 12:30 - 12:45	Minimally Invasive 1: Regenerative Aesthetic Surgery – Stem Cells, Fat Science and Minimally Invasive Reconstruction	12:30
12:45			Lunchtime Industry Symposium (no CME)	Lunchtime Industry Symposium (no CME)	Lunchtime Industry Symposium (no CME)		Lunch Break	Industry Session (no CME) 12:50 - 13:05	Lunch Break	12:45
13:00	Aesthetic Insights, Lunch with an Expert							Industry Session (no CME) 1:30 - 2:00	Industry Session (no CME) 13:00 - 13:15	13:00
13:45									Industry Session (no CME) 13:20 - 13:55	13:45
14:00		Deep Dive With an Expert: Post-Massive Weight Loss in Men	Deep Dive With an Expert: Optimizing Outcomes in Mastopexy Augmentation – Anatomical Planning and Complication Prevention	Deep Dive With an Expert: Rhinoplasty	Deep Dive With an Expert: Preservation Facelift	Deep Dive With an Expert: Minimally Invasive	Deep Dive With an Expert: Twenty Uses of Ultrasound in Body, Facial and Microsurgery Plastic Surgery	Face and Neck 1: Deep Plane and Advanced Facelift Techniques		14:00
14:20		Modern Body Sculpting: Techniques, Technologies and Evidence-Based Optimization	Modern Breast Aesthetics: Innovations in Augmentation, Mastopexy, Explantation and Tuberous Correction	Complex Rhinoplasty Across Ethnicities: Structural Solutions, Reconstruction and Predictive Technologies	Modern Facelift Mastery: Structural Precision, Regenerative Tools and Solutions for Complex Cases	Beyond the Operating Room: Mastering Leadership, Safety, Reputation and Practice Performance	Ultrasound Course			14:20
14:30										14:30
15:30		Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Face and Neck 2: Neck Lift, Midface Lift and Lower Face Contouring	Breast 2: Aesthetic Augmentation and Implant-Based Breast Surgery	15:30
15:40						Artificial Inteligence				15:40
15:50		Rib Remodeling: The New Kid on the Block	Implants Safety: Evidence and Recommendations	Tips and Tricks That Work in Rhinoplasty	Advanced Adjunct Techniques		Ultrasound Course			15:50
16:00										16:00
17:00		You Be the Judge: Rib Remodeling – Safe or Not?	You Be the Judge: Minimally Invasive Breast Augmentation – Science or Hype?	You Be the Judge: Preservation Versus Structural - The Winner Is	You Be the Judge: Ponytail Lift Versus Glidelift	You Be the Judge: Do minimal-invasive treatments of the Face interfere significantly with the safety profile of future surgical treatments of the face?				17:00
18:00	NEXTGEN CONNECT - Meet leading Aesthetic Surgeons. Build your Network. Shape your Future									18:00
19:00										19:00

KEY:

- Rhinoplasty
- Face and Neck
- Body
- Breast
- Minimally Invasive
- Periorbital
- Other Surgical
- Transgender
- Non-Surgical: Injectables
- Genital
- Other Non-Surgical
- Industry Sessions
- ISAPS ABM
- Resident's Symposium
- Resident's Competition

PROGRAM OVERVIEW | OCTOBER 29 | THURSDAY

PROGRAM OVERVIEW | OCTOBER 30 | FRIDAY

Room	EXHIBITION	GRAN CANCÚN 1	GRAN CANCÚN 2	GRAN CANCÚN 3	COZUMEL 1	COZUMEL2	AUDITORIUM	OPEN STAGE 1	OPEN STAGE 2	Room
Floor	Ground	3rd	3rd	3rd	2nd	2nd	Ground	Ground	Ground	Floor
7:30		Short Course Master Class: Mastering Breast Preservation	Short Course Master Class: Advanced Body Contouring in GLPs Era		Short Course Master Class: Art and Science of Periorbital Surgery	Short Course Master Class: Injectables and Beyond				7:30
8:30		The Breast Lifting Challenge	Synergistic Approaches to High-Definition Body Shaping	Deep Plane Facelift	Advances in Periorbital and Structural Facial Surgery	The Science of Non-Invasive Aesthetics: Regenerative Injectables, RF-Based Therapies and Skin Repair	Society Sessions: Patient Safety Worldwide			8:30
9:00		Revision and Complex Breast Surgery: Let's Hear From the Experts	Body Sculpture Through Augmentation: Fat, Implants and Beyond	Advanced Neck Strategies: From Anatomy to Execution	Contemporary Periorbital Surgery: Lifting Strategies, Algorithms and Upper Lid Innovations	Advances in Regenerative Plastic Surgery: Stem Cells, Fat Science and Exosomes			Resident's Competition	9:00
10:00										10:00
10:30		Coffee Break	Coffee Break	Coffee Break	Coffee Break		Coffee Break	Face and Neck 3: Brow, Eyelid, Periorbital and Minimally Invasive Rejuvenation	Body 2: Safety, Metabolic Risk, Special Conditions and Reconstructive Applications	10:30
10:40						Coffee Break				10:40
11:00		New Trends in Breast Surgery: Is It Safe, Does IT Work and Will It Last?	State of the Art in Abdominoplasty	Beyond the SMAS: The Modern Facelift	Periorbital Excellence: From Fat Grafting Paradigms to Lower Blepharoplasty Finesse	Next-Generation Regenerative Aesthetics: Adipose-Based Therapies from Face to Function				11:00
12:00									Breast 3: Breast Reconstruction (Implant-Based, Mesh, ADM, Autologous)	12:00
12:30		Lunch Break	Lunch Break	Lunch Break	Lunch Break	Lunch Break	Lunch Break	Other Surgical (Including Patient Safety / Medical Tourism) 1: Aesthetic Surgery, Safety, Technology and Global Practice	Industry Session (No CME) 12:30 - 12:45	12:30
12:45			Lunchtime Industry Symposium (no CME)						Industry Session (No CME) 12:50 - 1:05	12:45
13:00								Industry Session (No CME) 1:00-1:30pm	Industry Session (No CME) 13:10 - 13:25	13:00
13:30								Industry Session (No CME) 1:35-1:50	Industry Session (No CME) 13:30 - 14:00	13:30
13:45	Aesthetic Insights, Lunch with an Expert							Lunch Break		13:45
14:00		Deep Dive With an Expert: How to Avoid Fatalities – Safety Committee's Recommendations	Deep Dive With an Expert: Drainless Abdominoplasty and Comprehensive Waist Contouring	Deep Dive With an Expert: 20 Years of the Auersvald Net – What Have We Learned?	Deep Dive With an Expert: The Beautiful Lower Eyelid – Techniques, Pearls and Pitfalls	Deep Dive With an Expert: Demistifying Deep Plane Facelift	Leadership Session: The Role of Sales in Ethical Plastic Surgery Practices	Periorbital and Rhinoplasty 1: Modern Strategies in Periorbital Rejuvenation and Structural Rhinoplasty		14:00
14:20		Precision Breast Surgery: Advanced Techniques, Pocket Decisions and Predictable Aesthetic Results	Advanced Regenerative Therapies in Aesthetics: From Epigenetics to Adipose-Driven Repair	The Evolving Neck Lift: Deep Anatomy, Imaging -Guided Planning and Safe SMG Management	The Art of Facial and Periorbital Rejuvenation	Protecting Patients: Algorithms, Technologies and Strategies for Safer Aesthetic Surgery				14:20
14:30										14:30
15:00										15:00
15:30		Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Non-Surgical Injectables 1: Regenerative Injectables, Safety Intelligence and Emerging Challenges in Modern Aesthetic Medicine	Poster Discussion Face and Neck 4: Fat Grafting, Regenerative, Combined and Technology -Enhanced Techniques	15:30
15:50		Postbariatric / GLP-1 Breast Surgery	Excisional Body Contouring in GLP-1 Era	Prevention and Treatment of Complex Cases	Toxins and Beyond	Global Survey 2025: Breakthrough Results – Mapping the Future of Aesthetics With 51 International Markets	Integrating Regeneration in Genital Surgery: From Nanofat Therapies to Complex Reconstruction			15:50
16:20						QUAD A (No CME)				16:20
17:00			You Be the Judge: Now That We 've Seen the Long-Term Results of HD Liposculpture, Shall We Keep Going?	You Be the Judge: Hemostatic Net Versus Glue for Hemostasis	You Be the Judge: Transposition Versus Fat Grafting for Lower Eyelid Sculpture					17:00
17:10		You Be the Judge: Internal Bra in Aesthetic Breast Surgery – Necessary Innovation or Overused Adjunct								17:10
17:20										17:20
18:00										18:00
19:30	President's Networking Dinner									19:30

KEY:

- Rhinoplasty
- Face and Neck
- Body
- Breast
- Minimally Invasive
- Periorbital
- Other Surgical
- Transgender
- Non-Surgical: Injectables
- Genital
- Other Non-Surgical
- Industry Sessions
- ISAPS ABM
- Resident's Symposium
- Resident's Competition

PROGRAM OVERVIEW | OCTOBER 30 | FRIDAY

PROGRAM OVERVIEW | OCTOBER 31 | SATURDAY

Room	EXHIBITION	GRAN CANCÚN 1	GRAN CANCÚN 2	GRAN CANCÚN 3	COZUMEL 1	COZUMEL2	AUDITORIUM	OPEN STAGE 1	OPEN STAGE 2	Room
Floor	Ground	3rd	3rd	3rd	2nd	2nd	Ground	Ground	Ground	Floor
7:30										7:30
8:00		Short Course Master Class: Deep Dive Below the SMAS	Short Course Master Class: The Art of Gluteal Sculpting	Short Course Master Class: Next Generation HD Body Contouring		Short Course Master Class: The Science Behind Rejuvenation				8:00
9:00		Fillers	Modern Regenerative Aesthetics: From Scar Modulation to Laser-Driven Facial Rejuvenation	Advancing Aesthetic Outcomes in Complex Breast Surgery	Modern Approaches to Gender-Affirming Chest Surgery: From Masculine Contouring to Thoracic Feminization	Beyond Volume: Biomechanics, Imaging and the New Frontier of Exofillers	Lipedema			9:00
9:30		Long-Lasting Brow and Temporal Elevation	Fillers, Biostimulators and Beyond	Technologies and Tools In Advanced Body Contouring	Gender Surgery: Aesthetic and Reconstructive Advances	Business Session - The Aesthetic Success	Modern Facelift Innovation: From Deep Anatomy to Vertical, Tri-Plane and Modular Approaches			9:30
10:15										10:15
11:00		Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Coffee Break	Breast 4: Transgender Surgery, Gynecomastia, Explantation and Special Populations	Other Surgical 2: Reconstructive Surgery, Wound Healing, Missions, Pathology and Rare Conditions	11:00
11:10										11:10
11:30		Mastery in Face and Neck Surgery	LASERS and Energy-Based Devices and Threads	Buttocks Sculpting: Current Trends and Evidence	Evolving Strategies in Facial Feminization	Building and Leading Your Aesthetic Practice	Modern Breast Surgery: From Internal Support to Implant Evolution and Predictable Mastopexy Outcomes			11:30
12:40							Face and Periorbital Mastery			12:40
12:50										12:50
13:00			Lunch Break	Lunch Break	Lunch Break	Lunch Break		Poster Discussion Face and Neck 5: Nasal, Otoplasty, Reconstruction and Special Procedures	Industry Session (No CME) 13:00 - 13:15	13:00
13:10		Lunch Break								13:10
13:30	Aesthetic Insights, Lunch with an Expert						Lunch Break	Lunch Break	Lunch Break	13:30
14:30			Deep Dive with an Expert: Evolution of Gender Confirmation Surgery: From Simplified to Complexified Technique	Deep Dive With an Expert: Bodylifting and Its Variations – How I Plan	Deep Dive With an Expert: From Technique to Philosophy: A 40-Year Evolution of the 'Matrix Modelling' Concept in Minimally Invasive Breast Surgery					14:30
14:50		Integrative Facial Aesthetics: Lifting Strategies, Functional Solutions and Emerging Technoogies	Advanced Aesthetic Medicine: From Binary Lasers to Exosomes, Nanofat and HA-Based Contouring	Precision Body Contouring: Umbilical Algorithms, Muscle Integration and High-Definition Skin Management	Advanced Approaches in Aesthetic Breast Surgery: Planning, Pedicles, Implants and Regenerative Strategies					14:50
16:00		Keynote Lecture and Closing Ceremony								16:00
16:30										16:30

KEY:

- Rhinoplasty
- Face and Neck
- Body
- Breast
- Minimally Invasive
- Periorbital
- Other Surgical
- Transgender
- Non-Surgical: Injectables
- Genital
- Other Non-Surgical
- Industry Sessions
- ISAPS ABM
- Resident's Symposium
- Resident's Competition

PROGRAM OVERVIEW | OCTOBER 31 | SATURDAY

Pre-Congress Course:

Date: Tuesday, October 27, 2026
Time: 13:30 - 18:00
Room: Coba
Title:
GLP-1 Aftermath: Tissue Dynamics & Breast Surgical Challenges

Lunchtime-Symposia

GC-Aesthetics Lunchtime Symposium
Date: Wednesday, October 28, 2026
Time: 12:45 - 13:45
Room: Gran Cancún 1

Mentor Lunchtime Symposium
Date: Thursday, October 29, 2026
Time: 12:45 - 13:45
Room: Gran Cancún 2

Silimed Lunchtime Symposium
Date: Thursday, October 29, 2026
Time: 12:45 - 13:45
Room: Gran Cancún 3

Sofwave Lunchtime Symposium
Date: Thursday, October 29, 2026
Time: 12:45 - 13:45
Room: Cozumel 1

Sylke Lunchtime Symposium
Date: Friday, October 30, 2026
Time: 12:45 - 13:45
Room: Gran Cancún 2

Industry Open Stage Sessions

GC-Aesthetics Industry Open Stage Session
Date: Thursday October 29, 2026
Time: 12:30 - 12:45
Location: Open Stage 1

IBSA Industry Open Stage Session
Date: Thursday October 29, 2026
Time: 12:50-13:05
Location: Open Stage 1

BioScience Industry Open Stage Session
Date: Thursday October 29, 2026
Time: 13:00-13:15
Location: Open Stage 2

Motiva Industry Open Stage Session
Date: Thursday October 29, 2026
Time: 13:20-13:55
Location: Open Stage 2

GalaFlex Industry Open Stage Session
Date: Thursday October 29, 2026
Time: 13:30-14:00
Location: Open Stage 1

GC-Aesthetics Industry Open Stage Session
Date: Friday October 30, 2026
Time: 12:30-12:45
Location: Open Stage 2

IBSA Industry Open Stage Session
Date: Friday October 30, 2026
Time: 12:50-13:05
Location: Open Stage 2

GalaFlex Industry Open Stage Session
Date: Friday October 30, 2026
Time: 13:00-13:30
Location: Open Stage 1

Silimed Industry Open Stage Session
Date: Friday October 30, 2026
Time: 13:10-13:25
Location: Open Stage 2

Mentor Industry Open Stage Session
Date: Friday October 30, 2026
Time: 13:30-14:00
Location: Open Stage 2

Polytech Industry Open Stage Session
Date: Friday October 30, 2026
Time: 13:35-13:50
Location: Open Stage 1

Silimed Industry Open Stage Session
Date: Saturday October 31, 2026
Time: 13:00-13:15
Location: Open Stage 2

Industry Workshops

Aptos Workshop
Date: Wednesday 28, 2026
Time: 14:15 – 15:45
Location: Auditorium
