# Welcome letter

Dear Colleagues,

On behalf of the organizing committee, it is with great pleasure that we welcome you to the Qatar Plastica Conference 2026, to be held in the vibrant city of Doha from January 14 to 17, 2026.

This year's theme, "When Innovation Meets Elegance", reflects our commitment to advancing the field of Qatar Plastica Conference through the perfect fusion of cutting-edge technology and refined aesthetics. The symposium will bring together world-renowned experts, pioneering researchers, and leading practitioners for an inspiring 4 days experience of knowledge exchange, live demonstrations, and hands-on workshops.

In addition to the scientific program, we invite you to enjoy the cultural richness and hospitality that Qatar is known for. This event promises not only professional growth but also an unforgettable experience in one of the region's most dynamic destinations.

We are honored by your participation and look forward to welcoming you personally in Doha.

Warm regards,

**Dr. Habib Al Basti**

MD, FRCS, FACS
