Description of Fellowship: This program is in existence since 1991 and is designed to give the guest broad exposure and experience in the full range of aesthetic plastic surgery including facial aesthetic surgery techniques, rhinoplasty, and secondary procedures; aesthetic and reconstructive breast surgery (just the right mix of microsurgical breast and implant techniques); and body contouring. We will show our visitor how to set up a private practice office and develop a comfort level for the practice of aesthetic plastic surgery. The visitor will have the opportunity of observership or hands-on training and participate in educational activities in the Division of Plastic Surgery at the University of PUCRS – Porto Alegre, Brasil.

Duration: 1 month
Licensure Required: Board Certified Plastic Surgeons or Residents with Certification
Funding Provided: No
Housing Provided: No
Open to ISAPS Members only? YES NO
Special Requirements: Letter from an ACTIVE local member of ISAPS

The ISAPS Expert and the Visitor hereby agree to jointly and severally release, defend and hold harmless the *International Society of Aesthetic Plastic Surgery* (ISAPS) from any claims, whether first party or third party claims, related in any fashion to the ISAPS Expert or to the Visitor, including but not limited to claims related to hiring, employment, compensation, supervision and/or malpractice.
