CV:

I was involved into a general surgical practice since 1986.
In 1997, I started a plastic surgery practice.
In 2012, I acquired a PhD degree.
In 2014, I established the Denyschuk School of Plastic Surgery in Kiyiv, Ukraine.
I offer 3-4 plastic surgery trainings for Ukrainian and foreign surgeons annually.
The specialty of my school is practical study in the operation room.
My students assist me and perform some stages of operations themselves.
I want to share my experience and I'd like to offer my service as a mentor.
