Description of Fellowship:	<p>The Dutch Association for Facial Plastic and Reconstructive Surgery (DAFPRS) was founded in 2006 with the intention to provide trainees and newly qualified surgeons with hands-on exposure to all aspects of facial plastic surgery: congenital, oncological and cosmetic. Each year the association organizes clinical fellowships during which state of the art facial plastic surgery can be experienced. We function as an intermediary for a number of units in Europe and Asia that have specialized in this field of surgery. The following clinics are involved:</p> <p>Dr J. van der Meulen, Dr H Klepetko, Dr S. Versnel, Dr M Mureau, Prof I. Mathijssen - Rotterdam - the Netherlands Congenital Reconstructive Aesthetic ErasmusMC - Velthuis Kliniek</p> <hr/> <p>Dr J. Stevens, The Hague - the Netherlands Lipofilling Facial Aesthetic Bergman Clinics</p> <hr/> <p>Dr P. Tonnard & Dr A. Verpaele, Gent - Belgium MACS lift Facial Aesthetic Coupure center</p> <hr/> <p>Prof W. Gubish, Dr H. Fischer, Dr S Haack, Stuttgart - Germany Rhinoplasty Facial Aesthetic Marienhospital</p> <hr/> <p>Dr A.
