Description of Fellowship: El Paso Cosmetic Surgery is a single plastic surgeon practice. Over 800 general anesthesia cases (around 1200 cosmetic procedures) are performed in the onsite surgery center. Majority of the surgeries consist of breast and body contouring, but still fair amount of facial surgery is performed. The visitor will have hands-on experience in the operating room and also will be exposed to pre and post-surgical care of the patients. The practice also has two locations of busy medical spas where various non-invasive treatments are offered. The visitor will also be encouraged to participate in ongoing studies for publications. The visitor will also learn about management of a busy private practice and different strategies of marketing.

Duration: 1-6 months
Licensure Required: Need to be a senior resident in plastic surgery or a fully trained plastic surgeon.
