BENEFITS & PRIVILEGES
It’s never been a better time to be part of the ISAPS community, for reasons that benefit not just you, but also your patients, your practice and your profession. For many people, looking for a plastic surgeon feels like searching for a diamond in a field of glass. Your membership in ISAPS gives you a “shine” of quality that sets you apart from your competitors. Have a look at all the benefits of being an ISAPS member.

Dirk Richter MD, PhD
ISAPS President

Whether you’re renewing your ISAPS membership for 2019 or joining for the first time, welcome to a new year with events full of aesthetic plastic surgery education!
OUR EDUCATION PROGRAM

The International Society of Aesthetic Plastic Surgery (ISAPS) was founded in 1970 at the Headquarters of the United Nations in New York City and now includes members from more than 100 countries. The society’s purpose is to promote scientific and social interchange among aesthetic plastic surgeons worldwide, respecting the unique insights and contributions that each culture brings to the field. Our global focus on patient safety influences educational content and expanding member benefits. The society holds a major international scientific congress every two years in addition to the more than 30 courses held each year around the world. Meeting dates are continuously updated on the ISAPS website Calendar of Events at www.ISAPS.org.
The mission of the Education Council (EC) is to provide aesthetic education worldwide. The EC’s role within the ISAPS organization includes full responsibility for all ISAPS Courses, approval of Endorsed Programs, and coordination of ISAPS Symposia. The EC works closely with ISAPS members, the National Secretaries and National Societies to ensure their involvement and full support of these educational activities.

1. ISAPS SYMPOSIA
These are one-day educational events organized by ISAPS members and/or National Secretaries and are usually scheduled the day before a national society meeting. ISAPS members are encouraged to contact the EC Chair to request an ISAPS Symposium and for assistance with faculty selection. ISAPS faculty travel and hotel expenses are the responsibility of the hosting organization. ISAPS faculty are usually the guests of the hosting society and attend the national society meeting following the Symposium.

2. ISAPS INSTRUCTIONAL COURSES
ISAPS Courses are fully organized by the society. The EC is responsible for content, faculty selection and overall coordination of the course. An ISAPS member, a National Secretary or a national society affiliated with ISAPS can request a course to be held in their country. Once approved by the EC Chair, the EC schedules an official Instructional Course on the ISAPS Calendar to avoid conflicts with other meetings. Local hosts are asked to assist with logistical arrangements for the course.

3. FUNDAMENTAL AESTHETIC SURGERY TRAINING PROGRAM (ISAPS F.A.S.T PROGRAM)
This new ISAPS educational program is intended mainly for younger qualified plastic surgeons who are either still in training or who have been in practice for up to five years, but may also be attended by any interested plastic surgeon interested in advancing their surgical skills.

4. ISAPS ENDORSED PROGRAMS
These educational activities are sponsored and produced by ISAPS members, National Secretaries and National Societies. A completed application for endorsement is promptly reviewed and once approved, provides proposed educational programs with the ISAPS logo, official endorsement statement, and worldwide marketing through our newsletter, journal and mass e-mails to our extensive list. There is a fee payable to ISAPS with the application for this program. The application form can be downloaded from the website or requested from the Executive Office.

Updated information about ISAPS courses can be found on the website, in ISAPSNews, and in our journal, Aesthetic Plastic Surgery. Optional donations to the Education Council to support ISAPS educational efforts in under-served countries can be made with annual dues payments on our website, www.ISAPS.org.
We want to thank you for your loyalty. Similar to airlines, you can earn miles, our safety diamonds, with us in the future.

With our brand-new tool you earn our safety diamonds, when you use our different education tools such as courses, symposia, meetings and e-learning platforms or if you contribute articles to our Blue Journal or Newsletter.

Your engagement with ISAPS and your continuously improving skills will be visible with your status also shown on our website.

If you are training at ISAPS or have your practice accredited, then you are doing something for patient safety. This is rewarded with our Safety Diamonds. Let your patients see what they are doing for you. Show your status on your website and as a Silver, Gold or Platinum Status Member, you enjoy exclusive privileges in your aesthetic education experience with ISAPS, such as the Status Lounge at congresses or priority check-in at registration.

Great rewards and numerous benefits await you! Redeem your safety diamonds for free courses or master classes or many other available tools.
Networking opportunities and friendship are two of the most common advantages of joining ISAPS cited by our members.

Whether you are new to this specialty or a highly experienced aesthetic plastic surgeon, getting instant access to a global network of some of the world’s most experienced and accomplished plastic surgeons is a significant advantage that no other aesthetic society can offer you.

A GLOBAL NETWORK
Benefits
20 GOOD REASONS

Our Executive Office staff is always happy to help you with any questions about your membership application, current member type and the status of your member benefits.

From changing your address to helping you access the members area of the website, our staff is there to help you.

ISAPS BLUE JOURNAL SUBSCRIPTION

You will receive an annual subscription to the society’s official indexed journal, Aesthetic Plastic Surgery (also known as the Blue Journal).

Published six times a year, you will be able to access Aesthetic Plastic Surgery using the members-only app that will also enable you to access back issues using your smart phone, desktop or tablet.

MEMBER SERVICES
Not only a worldwide revisional surgery for ISAPS member only is one of the big benefits of this community.

Completely new and because of huge demand we can now offer medical negligence and risk management, disability insurance, cyber and travel insurance to really get a whole package.
Participation in the ISAPS Global Aesthetics Survey.
The media, industry and the public eagerly await the results of ISAPS’ Annual Global Aesthetics Survey that reports the numbers and types of aesthetic procedures performed around the world.

Benefits
20 GOOD REASONS

GLOBAL VISIBILITY
FOR YOUR PRACTICE

Greater global visibility for you and your practice by being listed on ISAPS.org. The ISAPS website receives on average over 45,000 visits per month from prospective patients and global media alike who are looking for qualified surgeons.

By becoming an ISAPS member, you and your practice will be listed on the ISAPS website providing greater exposure for you and making your practice easier to find.

GLOBAL AESTHETICS SURVEY

Participation in the ISAPS Global Aesthetics Survey. The media, industry and the public eagerly await the results of ISAPS’ Annual Global Aesthetics Survey that reports the numbers and types of aesthetic procedures performed around the world.

By participating in this survey, you will help us to raise the visibility of ISAPS and our members to international media and prospective patients around the world.
Our growing video library is a substantial learning tool. Learn from the masters; see how they mark patients and watch them perform operations. Close up education at its best.

Attendance at the ISAPS Congress – the largest global aesthetics conference of its kind held every two years, for five days, offering an exceptional scientific meeting combined with cadaver dissections including comprehensive practice management classes for ISAPS Business School and ISAPS Skin.

You will be able to attend at a substantially reduced member-only rate.
An active social media presence including Facebook, Instagram, LinkedIn and YouTube, which allows us to connect with the public online and inform your patients about the benefits of choosing an ISAPS surgeon.

One patient referred by social media to your practice is worth your annual fee.

ISAPS has a network of National Secretaries in nearly every member country who serve as our primary contacts and ambassadors.

They are your advocate in any situation that requires Board attention and are often responsible for promoting ISAPS education programs in their country.
We want to support aesthetic education for residents and fellows during their training in an official plastic surgery training program.

ISAPS membership is free for Residents and Fellows and provides our young members with access to electronic versions of Aesthetic Plastic Surgery, ISAPSNews, and our monthly e-Magazine and free access to 12 Webinars/year.

Our society has a special focus on the younger generation to provide them with the best educational material when it is needed the most.

Digital aesthetic education has become so important. Many webinars are scheduled each year for ISAPS members (from ECO+ on and for all residents and fellows) and are very well received. Watch live surgery or educational events live from any place in the world. Ask questions, get answers, get involved with ISAPS.

20 GOOD REASONS

ISAPS NEWS
PRINT SUBSCRIPTION

Membership includes an annual subscription to ISAPSNews, published four times a year.

Available to members in print and digital versions, ISAPSNews contains informative and non-scientific articles focused on helping you build your practice, along with information about member activities.

ISAPS NEWS
OUR ‘WHATSAPP’

Our whatsapp for ISAPS is secure and certified for medical purposes respecting all aspects of data protection. Enables all members to discuss difficult cases with each other and share experiences.

This unique new mobile app offers our members access to mentors for their help, development of professional work groups, and even allows private communication with your patients. Coming soon.
We support your efforts to ensure patient safety through our collaboration with the American Association for Accreditation of Ambulatory Surgery Facilities International.

Trained plastic surgeon colleagues will help you achieve surgical facility accreditation so that your patients have their surgery in an accredited and safe surgical environment.

ISAPS defends our specialty by educating patients and the media, promoting standardization and providing legal support through our comprehensive marketing, public relations and outreach initiatives.
ISAPS offers the most extensive and comprehensive global aesthetic education program – over 30 symposia and courses are held each year.

You will be able to attend at significantly reduced member-only rates and have the opportunity to participate as a member of our esteemed faculty.

As a member, you can purchase elegant member plaques to display proudly in your office, waiting room, or treatment rooms to show your patients that you belong to the most discerning group of qualified aesthetic plastic surgeons in the world.
To apply for membership in ISAPS, the following documents must be submitted and the applicant must be approved by the National Secretary in their country.

For applicants from countries with no National Secretary, the Chair of the Membership Committee and the Chair of National Secretaries will review the application.

Applicants who have completed all requirements and who have been approved are admitted at the end of every month.
