**Program Director:** Dr. Javier de Benito

**Duration:** 1 to 3 months

**Description of Program:** We are offering a 1 to 3-month fellowship training in aesthetic surgery and cosmetic medicine. Our program is unique because it offers a robust exposure to aesthetic surgery by our full-time faculty members who specialize in various fields of aesthetic surgery. Our fellows attend and run our weekly academic meeting, presenting recent publications in plastic surgery journals or a topic of interest. In addition to the hands-on clinical experience, our program focuses on safety and ethical practice. Fellows are required to complete an abstract or a clinical manuscript by the end of their fellowship. Adequate and clear photography is taught during the fellowship, in addition to public speaking in societal meetings.

**Licensure Required:** No

**Funding/Salary Provided:** No

**Housing Provided:** No

**ISAPS Members only?** No

**Special Requirements:** Candidates should be either in their last year of training, or have completed (in less than 2 years) their training at a plastic surgery program recognized by the official national society. Candidates must provide one letter of recommendation from their plastic surgery program director and another from an ISAPS member.

The Fellowship and the Fellow hereby agree to jointly and severally release, defend and hold harmless the *International Society of Aesthetic Plastic Surgery* (ISAPS) from any claims, whether first party or third party claims, related in any fashion to the Fellowship or to the Fellow, including but not limited to claims related to hiring, employment, compensation, supervision and/or malpractice.
